

## UK INTERPRETATIONS GROUP

The BTHA's interpretations group consisting of BTHA members, test laboratories, manufacturers, importers and retailers has agreed upon the following interpretation.

Interpretation no.	121
Date of submission	11 <sup>th</sup> July 2017
Submitted by	Intertek
Standard/Directive	<b>EN 71-1:2014</b>
Clause No	Clause 5.10
Clause Title	<b>Small balls</b>

### Question

Does clause 5.10 apply to balls which can be produced by combining two components of a multi-component set of different shaped plastic parts ?

### Interpretations Group Answer /Action

Proposed answer:

No. The reference in A.48 to “ball –shaped parts of a construction toy” refers to components which are themselves ball shaped and not to ball shapes which may be produced by combining two parts.
